ABOUT ME

Hello world!

People refer to me as a highly curious and passionate person since I'm always looking forward to learning new things. I'm also very into music. In my spare time I DJ, play the piano and produce electronic music.

I'm currently searching for a job because I want to expand my IT knowledge and get to learn about how a working environment is.

EDUCATION

Universidad Nacional Del Litoral, Santa Fe – System Analyst

March 2021 – In progress

I'm currently in my second year of informatics engineering.

Asociación Argentina Cultural Inglesa (language academy), English B2

Sat for the Cambridge English First exam and got the certification.
